Las Vegas Concierge Pediatrician

IMAGINE FEELING CONFIDENT IN YOUR CHILD'S HEALTH...

Are you tired of long office waits, rushed visits, and a revolving cast of Pediatricians who don't know your child or take the time to truly listen to your questions?

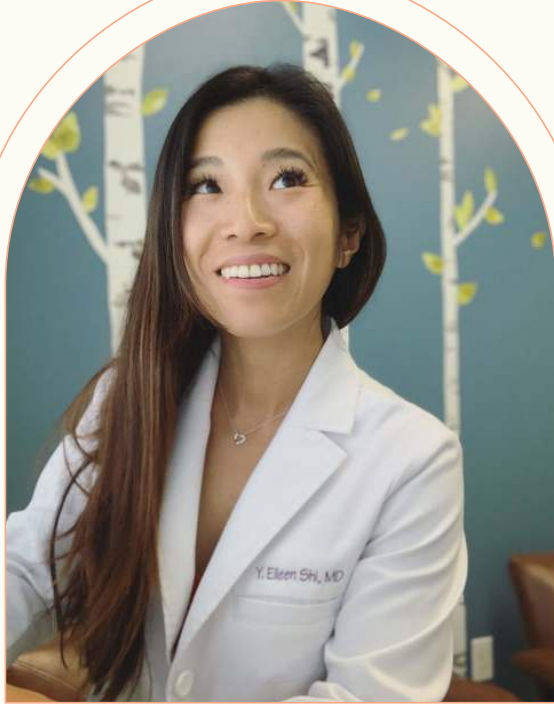

**Discover a holistic and integrative approach
to your child's healthcare.**

When you become a member of Little Roots Pediatrics you are choosing a model of care designed to foster a family-pediatrician relationship that you can trust.

The logo for Little Roots, featuring the word "Little" in a small, orange, sans-serif font above the word "Roots" in a larger, black, cursive font. A small green sprout with two leaves is positioned to the left of the word "Roots".

PEDIATRICIAN**

Dr. Eileen Shi

**I believe that every child and every person deserves:
honesty, openness, respect, and compassion.**

Little Roots Pediatrics is founded on these principles so that you and your children can be cared for with the best medical knowledge. Your high-quality pediatric care is shaped by communication and the relationships we build with one another.

**Your pediatrician should always be your child's advocate and
believe your child always comes first.**

I help families on their wellness journey by integrating evidence-based care with holistic health principles to provide the most up-to-date, direct-access pediatric care.

WHY JOIN LITTLE ROOTS PEDIATRICS?

The Direct Care membership model of pediatrics allows Little Roots to care for a smaller community of families without fee-for-service limitations.

That means you enjoy:

Direct access to your doctor anytime via phone, text, email, video-call with our HIPAA-compliant app.

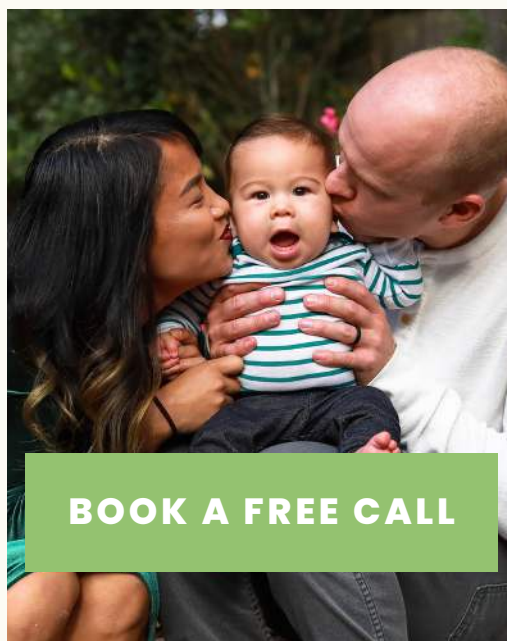

All routine well-child visits and vaccines.

Virtual visits same-day/next-day, and remote care while you're away traveling

Comprehensive care including coordination of care with other specialists, follow-up visits, etc.

Member-exclusive prices for procedures done at office (ear piercing, common bacterial and viral infections for at-point testing, and functional medicine testing).

House calls at your request with a surcharge to assess the care needs of your child at home.

MEMBERSHIP PRICING + PACKAGES

A simple monthly investment in your child's health.

Your monthly or annual family membership allows access to all of our services. We do not bill any insurance or any federal or state programs. We only bill patients directly.

Join Little Roots with a one-time enrollment fee of \$480. Then, choose from Annual or Monthly membership dues.

The enrollment fee is waived when you join annually.

ANNUAL

\$2640 child 0-23 months
\$2400/child 2 - 6 years old
\$1920/child 7+ years old

MAX \$7200 PER FAMILY

MONTHLY

\$220 child 0-23 months
\$200/child 2 - 6 years old
\$160/child 7+ years old

MAX \$600 PER FAMILY

Newborn: Baby at Home Package

For your baby's first year, we offer a one year Baby-at-Home package that provides, in addition to the benefits of our annual membership, the first 4 well checks at the comfort of your own home; allowing new parents flexibility and time to settle with their new baby.

\$4000

Annual membership including the first 4 well checks in your home.

Why No Insurance?

Insurance models presume that each part of the body, symptom, or diagnosis can be broken down into a billable code. With a direct care model, we are able to offer our patients comprehensive care plans, from health assessment to planning without the constraints of billing and coding which takes away from the focus of care: your child.
